REPORT OF THE MANAGER

Market Overview

In the first half of 2024, China's economic environment was characterized by a blend of improvements and persistent challenges. The China Emerging Industries PMI (EPMI) showed a modest uptick, averaging around 50.8, whereas the Manufacturing PMI remained below 50, consistently indicating contraction in the manufacturing sector. Overall, market volatility was fueled by uncertainties surrounding government policies on China's financial system and ongoing geopolitical tensions with the US.

Fund Performance

Despite turbulent market conditions, your fund demonstrated remarkable resilience and consistently outperformed key indices. By the end of June, it posted steady gains, achieving a solid year-to-date increase of 7.7%. This performance surpassed the Hang Seng Index, which rose by 4.0%, and the CSI 300 Index, which declined by 1.4%.

Market Outlook

Looking ahead to the second half of 2024, we see compelling investment opportunities due to the MSCI China Index's low valuation and forecasted EPS growth. Additionally, lower interest rate risks from the US could enhance stock valuations. Our portfolio management team, with its global perspective and specialized expertise, is committed to delivering sustainable, risk-adjusted return.

NOTES TO THE FINANCIAL STATEMENTS

1. THE FUND AND THE SUB-FUND

Foundation Fund Series (the "Trust") was constituted as an open-ended unit trust established as an umbrella fund under the laws of Hong Kong pursuant to a trust deed dated 20 September 2018, as amended and restated on 31 December 2019. Foundation China Equity Fund and Foundation Global Income and Growth Fund (the "Sub-Funds") are sub-funds under the Trust.

The manager of the Trust is Foundation Asset Management (HK) Limited (the "Manager") and the trustee is ICBC (Asia) Trustee Company Limited (the "Trustee"). The custodian is Industrial and Commercial Bank of China (Asia) Limited (the "Custodian").

The Trust and the Sub-Funds have been authorised by the Securities and Futures Commission of Hong Kong (the "SFC") under section 104(1) of the Hong Kong Securities and Futures Ordinance and are required to comply with the Code on Unit Trusts and Mutual Funds (the "SFC Code") established by the SFC. Authorisation by the SFC does not imply official approval or recommendation. As at 30 June 2024, the Trust has two sub-funds namely Foundation China Equity Fund and Foundation Global Income and Growth Fund, in respect of which separate class of unit was issued. Foundation China Equity Fund was launched on 11 July 2019. Foundation Global Income and Growth Fund was launched on 18 March 2020 (date of commencement of operations).

The investment objective of Foundation China Equity Fund is to maintain a consistent value-investing approach with a focus on liquidity and high return by primarily investing in equities issued by companies that are incorporated in China or companies which have significant operations in or derive a significant portion of revenue or profits from China.

2. BASIS OF PREPARATION

The financial statements of the Sub-Fund have been prepared in accordance with IFRSs as issued by the International Accounting Standards Board ("IASB") and interpretations issued by the International Accounting Standards Committee of the IASB, and the relevant disclosure provisions of the Trust Deed and the relevant disclosure provisions specified in Appendix E to the SFC Code.

The financial statements have been prepared on a historical basis, except for financial assets and liabilities (including derivatives financial instruments) at fair value through profit or loss ("FVPL") that have been measured at fair value. The financial statements are presented in Hong Kong dollars ("HKD") and all values are rounded to the nearest HKD except where otherwise indicated.

The Sub-Fund has adopted for the first time all the applicable and effective IFRSs.

The accounting policies and methods applied in preparation of these interim financial statements are consistent with those applied in annual financial statements of the year ended 31 December 2023.

The interim financial statements are not audited.

For the period ended 30 June 2024

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

3. NET ASSETS ATTRIBUTABLE TO UNITHOLDERS

The consideration received or paid for units issued or re-purchased respectively is based on the value of the Sub-Fund's net asset value per unit at the date of the transaction. In accordance with the provisions of the Trust Deed, Sub-Fund investment positions are valued based on the last traded market price or closing price for the purpose of determining the trading net asset value per unit for subscriptions and redemptions. The Sub-Fund's net asset value per unit is calculated by dividing the Sub-Fund's net assets with the total number of outstanding units.

Redeemable units can be issued and redeemed on each valuation day, i.e. every business day of the calendar year. The holders of redeemable units may subscribe or redeem the redeemable units on any business day by no later than 4:00p.m. (Hong Kong time) on the relevant business day. Both subscription and redemption prices are calculated by reference to the net asset value per unit of the relevant class as at the valuation day.

With a view to protecting the interests of all unitholders, the Manager may limit the number of units of any sub-fund redeemed on any redemption day to 10% of the total number of units of the relevant sub-fund in issue. In this event, the limitation will apply pro rata so that all unitholders of the relevant sub-fund who have validly requested to redeem units of the Sub-Fund on that redemption day will redeem the same proportion of such units of the Sub-Fund.

The movement of the units held by the unitholders during the period is as follows:
