About him

Dr Marc Faber was born in Zurich, Switzerland. He studied Economics at the University of Zurich and, at the age of 24, obtained a PhD in Economics magna cum laude. In June 1990, he set up his own business, **MARC FABER LIMITED**, which acts as an investment advisor and fund manager.

Dr Faber publishes a widely read monthly investment newsletter "**The Gloom Boom & Doom Report**" report which highlights unusual investment opportunities, and is the author of several books including the bestseller "**TOMORROW'S GOLD - Asia's Age of Discovery**" which was first published in 2002 and highlights future investment opportunities around the world. As a regular contributor to several leading financial publications around the world, Dr. Faber is well known for his "contrarian" investment approach. He is also associated with a variety of funds and is a member of the Board of Directors of numerous companies.
